82 lbs / 37.3 kg

DESCRIPTION

The CUBE STOOL is made of cast translucent urethane rubber. MEDIUM and LARGE come with either swiveling castors or rubber stops. EXTRA LARGE available with rubber stops only.

CARE

Clean with warm, soapy water using soft, cotton cloth. Do not use any chemical cleaners and do not rub with force or abrasive materials. Rubber finish will gently patina over time. Refresh with Armor All Original Protectant Wipes monthly. Indoor use only; avoid prolonged exposure to direct sunlight.
